As part of your WorkLife4You benefit, you have access to Emergency Backup Care, a benefit designed to help you secure—and pay for—backup care when your regular care plans are disrupted. Emergency Backup Care provides:

### Coverage for the entire family:

- Other licensed providers in your area
- Friends and family members you know and trust

### Affordable, convenient care:

- You can reserve care up to 30 days in advance or call for last minute emergencies
- You pay only \$10 per day, per eligible dependent, when you use in-network licensed centers
- You pay only \$10 per day, per family, when you use in-home care
- We’ll reimburse you for the cost of care minus the \$10 co-pay when you use out-of-network providers
- We’ll reimburse you up to \$100 per day for the cost of care when you use friends and family members
- You can use the service for up to 5 visits per covered family member per fiscal year
